## **Crawford County Conservation District E&S Review Regulations**

1. The following fees will be charged by the Crawford County Conservation District for technical reviews of Erosion and Sediment Control Plans, as authorized by Act 217 and the delegation agreement with the Department of Environmental Protection.
2. Only applications containing a completed **Application for Review of NPDES Permit &/or Sedimentation Control Plan**, required fee, and requested plan copies will be accepted. Number of copies to be submitted is as follows:
  - 3 copies of NPDES Permit Application & Supporting Materials (PCSM, E&S Plan, etc.)
  - For General Permits – One (1) copy of General Permit with two (2) copies of E&S Plan.
  - For E&S Plan Only – Two (2) copies of E&S Plan.
3. Revised Review fee schedule will apply to all plans submitted to the District after May 31, 2008.
4. Residential Development in regards to the Permit/E&S Fee Schedule is defined as the development of residential housing units (ex. houses, apartments, condo, etc) in which the site is designed for housing but may contain a sales office. Sites which have combined housing units and commercial activities all within one parcel of land shall use the Commercial/Industrial E&S Plan Review Fees schedule.
4. Fees are intended to cover initial review and one revision of a project, if submitted within 60 days of the deficiency letter.
  - If plans revisions are not submitted within 60 days, a fee of 50 percent of the original fee will be charged.
  - A charge of 30 percent of the original fee will be assessed for each additional review beyond the first revision.
  - If after 90 days no action has been taken, the plan will be considered withdrawn and will be discarded.
5. Fees will be waived for an application filed under the name of United State of America, Municipalities of the Commonwealth of Pennsylvania, State owned schools, or other State Government Agencies. Fees for authorities of the Municipalities are not waived. This includes, but is not limited to: sewer and water authorities, etc.
6. The canceled check will be the applicant's receipt unless one is requested.
7. Revisions to approved plans may be subject to a service fee, to be determined by the Conservation District.
8. Erosion and Sedimentation Control Plans authorized in conjunction with an NPDES Permit will expire at the date of the expiration of the NPDES permit or when the NPDES permit is terminated. Erosion and Sedimentation Control Plans authorized in conjunction with a General Permit will be good for the life of the General Permit. All other Erosion and Sedimentation Plans authorized will be good for one (1) year from the date of authorization.
9. Fees for phased projects will be assessed for each individual phase as it is proposed for development.
10. A site requiring an Erosion and Sediment Plan review may not begin earthmoving activities until the Plan has been approved by the Conservation District.
11. Checks for Erosion and Sediment Plans can be made payable to: Crawford County Conservation District. Checks for NPDES permits can be made payable to: Clean Water Fund.
12. The Conservation District reserves the right to request a new Erosion and Sedimentation Control Plan be submitted with the subsequent fee in the event that acres of disturbance are intentionally misrepresented in the application.
13. The Conservation District reserves the right to waive E&S Plan review fees on a case by case basis.
